\*\*\*  
**CONGRESSIONAL COMMITTEE**

**REGISTRATION #:** FC639QZD-378  
**CONGRESSIONAL DISTRICT CODE:** USA-PB292

Dear Fellow American,

We've never seen anything like this before in America.

The Democrats have tried to use the ongoing coronavirus pandemic as a way to rig the election this November.

Since seizing power, the Socialist Democrats have dragged the American people through the most partisan and least credible impeachment in American history.

Now, the Democrats are trying to use the Chinese Coronavirus as a pathetic excuse to force their socialist agenda on the American people - and we must stop them from using a global pandemic to try to re-write state election laws.

The NRCC Legal Fund ensures election integrity for all House races. Its sole mission is to ensure every House Republican has a fair fight against the Do-Nothing Democrats.

If we don't act fast and unite behind President Trump's plans to rebuild our economy and ensure for a fair election against the Socialist Democrats, the freedoms that you and I enjoy will be gone forever.

That's why you were selected by the *National Republican Congressional Committee* (NRCC) to represent all of the voters in your Congressional District in the Official **2020 Critical National Issues Survey**.

The answers you provide on this **2020 Critical National Issues Survey** will directly influence our efforts to end Liberal Speaker Nancy Pelosi's reign in the U.S. House . . .

. . . And make sure we have the critical resources we need to fight against voter fraud and the Socialist Revolution led by the radical left.

That's why I am writing you today to see where you stand on important issues and to ask you to support the **NRCC Legal Fund** with your generous contribution of \$35, \$50, \$100, \$250, \$500, or \$1,000 and return it along with your Official Survey Document today.

(Over, please)

Your input will help us finalize our **Official 2020 Republican Campaign Strategy** to elect a conservative Republican Majority to the House that will support President Trump's agenda and stop the Democrats' socialist agenda they are trying to force on America.

As the Leader of Republicans in the U.S. House, I am working with local, state, and national Party leaders, candidates, and grassroots activists like you to organize at the Congressional District level to build the strongest campaign in American History.

Your generous gift will help push back against the Socialist Left by helping the NRCC's Legal Fund by:

- >> Helping to conduct proper election recounts.
- >> Ensuring state election laws are not written unjustly.
- >> Stopping the Democrats from exploiting a global pandemic as a source of political point scoring.
- >> Maintaining Election integrity across the country.

**By responding to the enclosed survey, you will also help us stop Nancy Pelosi's socialist agenda, including:**

- X** *Bernie Sanders' brainchild "Medicare for All," which will cost \$3.3 Trillion per year and make private health insurance illegal.*
- X** *The socialist "Green New Deal," which will ban air conditioning in your home, make air travel illegal, and impose a new 70% tax rate on hardworking Americans.*
- X** *Free College for All, adding billions to our national debt for our children and grandchildren to pay.*
- X** *Abolishing Immigration and Customs Enforcement (ICE)-- putting the security and safety of Americans in danger.*

That's not all. We are not only fighting against the radical Socialists in the House like Nancy Pelosi and Alexandria Ocasio-Cortez, but we are engaged in hand-to-hand combat with the media who are their willing accomplices.

And, I'm not going to sit idly by and watch "progressives" lead America down the road toward Soviet-style Socialism.

That's why your participation in this **2020 CRITICAL NATIONAL ISSUES SURVEY** is so important.

In 2020, the NRCC Legal Fund needs to rally every Republican, Independent, or Trump-Democrat against the massive, well-funded Pelosi-Democrat political machine.

We need you to unite behind President Trump's accomplishments, stand by the Republican Leadership in the House, and help all of our Republican candidates fight back and win every contested election from coast to coast.

So please immediately complete and return your **2020 CRITICAL NATIONAL ISSUES SURVEY** - and **DO NOT DISCARD THIS OFFICIAL DOCUMENT** under any circumstances.

The results of this Survey will be processed and tabulated by the NRCC and used to advise my House Leadership team, our colleagues seeking re-election, and Republican candidates for the U.S. House.

Your Survey **MUST BE ACCOUNTED FOR** during the tabulation process to ensure accurate results.

So even if you are undecided about some of the questions, just skip them and write down as many answers as you can and return it to me at the NRCC within the next 10 days.

***I need to know . . .***

- \*\* *Do you think we should hold Communist China accountable for unleashing the Coronavirus on the world and wrecking our economy?*
- \*\* *What was your reaction to the "New Green Deal"? Do you think we should stop this socialist plan to ban airline travel, ban air conditioning, and force people to walk to work?*
- \*\* *Where do you stand on "Born Alive Abortions" legislation that would make infanticide legal in America?*
- \*\* *And, should we continue to support President Trump's plan to build a wall along our Southern Border to stop the stampede of illegal immigration?*

Your answers to these and many more important questions will help us better grasp which issues you want to see at the forefront of our agenda during the 2020 campaign.

*That's why I've commissioned this 2020 CRITICAL NATIONAL ISSUES SURVEY.* I want to show my colleagues in the House, the great candidates we are recruiting, local and state party leaders across the country, and others I speak to that our campaign message is actually based on what Republicans at the grassroots level believe are the most important issues.

(Over, please)

But, this sampling of conservatives by Congressional District will only be successful if you and every chosen representative fill out the enclosed **OFFICIAL SURVEY DOCUMENT** and return it today along with your contribution to NRCC Legal Fund today.

So please rush back your completed **2020 CRITICAL NATIONAL ISSUES SURVEY** and most generous contribution of \$35, \$50, \$100, \$250, \$500, \$1,000 or more today.

Your special gift will help us go head-to-head with Speaker Nancy Pelosi and the Democrat socialists like Alexandria Ocasio-Cortez who are setting the agenda in Washington. The Democrat socialists will do whatever it takes to hold on to power -- **AND WE MUST STOP THEM.**

Thank you for standing with Republicans in the House as we unite behind President Trump's strong leadership to rebuild our economy and stop the Democrats and their dangerous Socialist agenda. The future of our children and grandchildren are at stake.

Sincerely,

Kevin McCarthy  
Republican Leader

P.S. We must stop the Far Left "Progressive" Democrats led by Nancy Pelosi and Alexandria Ocasio-Cortez who want to use the Coronavirus crisis to cheat their way to victory in November

I need your help to create the winning message that will help us take back control of Congress and pass President Trump's "America First" agenda.

Please complete the enclosed **2020 Critical Issues Survey** today to let your Republican leaders in Washington know where you stand on the issues facing our nation and return it along with your most generous contribution of \$35, \$50, \$100, \$250, \$500, \$1,000 or more to the NRCC Legal Fund today.
